

Rapid Transit Survey Proposed by Supervisors

A county-wide rapid transit survey may be authorized by the Board of Supervisors as part of the county's master plan of highways program, county supervisor Raymond V. Darby as announced.

The employment of private engineers to conduct such a survey would be legal, according to county counsel Harold J. Kennedy, provided they are engaged by the County Regional Planning Commission, and not by the Board of Supervisors. Supervisor John Anson Ford said that it has been suggested that the Board ask the University of California at Los Angeles,

IMMIGRANTS
Australia expects to welcome at least 110,000 immigrants to its shores in 1949.

CLEAN-UP CAMPAIGN
Over 10,000 cities carry out spring clean-up programs each year.

The University of Southern California, and the California Institute of Technology to nominate engineers of the job.

"The selection of these engineers may be the most important decision that the Board will make in many years," Ford said.

The supervisors last week allocated \$300,000 for the hiring of an engineering firm to make the survey.

The Torrance Chamber of Commerce has gone on record as opposing the plan known as the Los Angeles Rapid Rail System.

AS IT IS. Same faces, same places but the cameraman moves to reveal how clever set designing and the old stand-by piano, combine forces to produce entertaining low budget video shows. (See story on video piano players.)

Vincent Thomas Favors No Hike In Sales Tax

In a recent letter to Paul Diamond, chairman of the Retail Merchants Division of the Torrance Chamber of Commerce, assemblyman Vincent Thomas expressed the opinion that he was in favor of allowing no increase in the three per cent California State Sales Tax.

His reply to a letter from the local organization urging his support in voting against any hike in the sales tax read in part:

"You may rest assured that I will do everything possible to carry out your wishes when the subject matter is fully debated on the floor of the Assembly. I doubt very much if an increase in sales tax will pass this Session."

ATTENDS DAUGHTER'S GRADUATION CEREMONY

Mrs. Anna McIntier, of 1735 Gramercy avenue, returned recently from Tucson, Ariz., where she attended graduation ceremonies at St. Mary's Hospital School of Nursing, her daughter, Sister Theresa Marie, being among the graduates.

When Sister Theresa Marie entered the religious order of Sisters of St. Joseph of Corondoleit ten years ago it was with the intention of becoming a nurse. However, her religious order was in greater need of teachers at that time, so she studied at Mount St. Mary's College and taught until 1946; then entered the nurses' training school from which she is now graduated. Joseph G. McIntier, twin brother of Sister Theresa Marie, ar-

...rived there from Alamogordo, N.M., for the graduation ceremonies, so Mrs. McIntier also enjoyed a visit in Tucson with him.

\$30 Worth of Parts Stripped From Pickup

Jack Pettit was doing a rushing auto parts business Thursday night and didn't know it.

He told deputies that someone helped himself to a wheel, tire pump, aerial, and seal beam light from his (Pettit's) pickup truck while it was parked in front of his 2251 248th street home.

If Pettit could send a bill, he'd make it out for \$30.50.

OBITUARY

INFANT KENT

Infant Kent, son of Mr. and Mrs. Earl Kent Jr., of 1025 Gramercy avenue, died at birth June 10 at a local hospital. Cremation followed Monday, June 13 at Pacific Crest Cemetery. In addition to his parents, the baby is survived by his brother, Randy Lynn Kent, and his grandparents, Mr. and Mrs. Earl P. Kent Sr., of Torrance; and Mr. and Mrs. M. R. Peck, of Gardena.
